President Donald Trump returned to Nashville on **Tuesday, May 29** for a campaign rally endorsing Senatorial Candidate Marsha Blackburn (current Congressman, Tn. District 7.) The

Rally was held at the Municipal Auditorium (Nashville) at 7 PM and the house was packed! It was very apparent that this is a peoples' President! The crowd was very excited and many people fared the rain in order to see President Trump.

Chairman Scott Golden opened the rally and welcomed guest speakers after a very emotional and spine tingling rendition of our National Anthem by The Isaacs, a multi-award winning family group from Nashville. More will be reported in our next newsletter, so stay tuned!
