DID YOU KNOW?

Sen. Ted Cruz suggests that Republicans may block any Supreme Court Nominee by Hillary Clinton should she win the Presidential Election. There is an historical precedent for fewer Justices. Justice Stephen Breyer recently observed that the current vacancy is not stopping the Supreme Court from doing its job. Nothing in the Constitution forces Congress to eventually confirm a Supreme Court Nominee. The longest vacancy occurred in 1844 when a Supreme Court Seat vacancy went unfilled for 841 days (2.3 years.) More than 8 Supreme Court vacancies took over 1 year to fill. However, no vacancy has gone throughout the entire 4-year term of a President.

Donald Trump took offense at CNN Reporter Dana Bash asking how he defended taking time out from his campaigning in swing states to attend the Grand Opening of his new hotel in Washington, D.C. Trump told Bash he found her question "rude." He also reminded her that he had made 8 campaign stops the previous day and made 3 major speeches. After leaving the hotel Grand Opening after 1 ½ hours, he was going to North Carolina, Florida, prior to New Hampshire. Hillary Clinton took off from her campaign the same day to attend an Adele Concert – with nary a criticism from the major media!

Moms who are illegal immigrants gave birth to 275,000 babies in 2014 – enough to fill a city the size of Orlando according to data from the National Center for Health Statistics. Newborns to illegals accounted for 7% of all births in 2014 according to PEW Research. The current rise in the Birth Rate in the U.S. is driven entirely by immi-

grants.

Thanks to **Ron Smithfield** for donating some special Ronald Reagan prints and a poster to the Montgomery County Republican Headquarters. They are currently on display so be sure to stop by at 1817-A Madison St., Suite 1.

We thank **Marie Tillman** for doing an outstanding job as GOP Headquarters Office Manager throughout the campaign season. Ashe has kept the GOP Office supplied with yard signs, caps, t-shirts, campaign pins, jewelry. Marie has also recruited & scheduled volunteer workers throughout the campaign season. Job well done, Marie. The Montgomery County Republican Party Office will cut back to being staffed only with volunteers. It will only be open on Wednesdays from 10 -2 PM following the November 8 Election. Not to be forgotten, a very big thanks to those of you who came down to volunteer at our Headquarters.

Congratulations

Pat Allen, District 22 State Executive Committee-woman, has been elected to represent our Congressional District 7 on the Tennessee Electoral College should Donald Trump carry Tennessee's 11 Electoral Votes on November 8. Let's get out there to vote to make that happen.
