It's almost 2020. We're on the eve of what many are calling the most important presidential election in our lifetimes. We have the choice of reelecting Donald Trump to a second term. Or we can follow under the tyranny of a socialist Democratic president. There's much to do, and the first thing you might want to consider is paying your membership dues. They'll help us continue to operate our party headquarters full time and to support local and statewide Republican candidates. Check this newsletter for updates on our 2020 activities, but the first move you can make is to ensure you're paid up for 2020.

College Republicans recently made a strong comeback on the Austin Peay State University campus. After being defunct for a year, the reformed organization recently had 30 students attend its first meeting. Drew Burnett is the new president. Meetings are held 305 MUC. For more information, call Burnett at 931 218-5760. You can also check on social media for updates.

*The 2020 elections draw nearer each day. What are you doing to ensure Republicans can stop the effort to turn America into a socialist nation?*
