We meet the 4th Tuesday of each month at MCRP headquarters, 1817-A, Suite 1 Madison Street. Meeting begins at 7:00 p.m. Bring a sack lunch at 6:00 p.m. if you wish to visit with others.

Labor Day is here – time to get serious about electing Donald Trump as President. The results are very serious because a Democratic President will be able to pack the Supreme Court with ultra-liberal judges who can serve for the next 20 years. **What can you do to make a difference?** – Early Vote (October 19 through November 3), volunteer to work at the Montgomery County Republican Headquarters, put out a yard sign, wear a Delete Hillary Button, put on a car bumper sticker, volunteer to make campaign phone calls, campaign door-to-door, VOTE!

Do you have a Republican friend who says that he or she is not going to vote for Trump? We challenge you to gently persuade him/her that no vote for Trump is a vote for Hillary. There are 5% fewer Republicans than Democrats nationwide so we need every Republican vote to count. Democrats always turn out for their candidate, no matter how awful that candidate might be. Republicans want to vote their conscience or vent their hurt feelings. *Folks, that's why we are not winning the white House.* Let's vote smart this time & vote united. Otherwise, we may eventually become the Whig Party.
